

UNLEASHING CREATIVE GENIUS... ONE CHILD AT A TIME

This summer, invest in the skills that will help your child achieve his or her full potential throughout the school year. Nonprofit Invent Now Kids' premier program, Camp Invention, is a weeklong adventure in creativity. **Unleashing creative genius**, your child will experience inquiry-based learning through hands-on FUN!

The Camp Invention program consists of **five exciting modules** that are designed to provide children **entering grades one through six (currently in grades K through five)** an unique opportunity to explore the unknown, tinker with ideas, and satisfy an innate sense of curiosity. Children must tap into their creativity to solve real-world challenges and work as a team, using problem solving as a portal to discovery.

Renowned for the difference it's making nationwide, this enrichment program provides a safe, creative outlet for children to extend school-year learning through engaging activities that foster **important 21st century life skills**.

Monthly installments available.
A **\$50** deposit* reserves your spot!

Camp Invention participant...

"Camp Invention made me know that if I never give up, I can do anything."

Camp Invention instructor...

"The student engagement was amazing to see. It was so different than what we observe in many of our classrooms..."

Parent of an engineering student who participated in the Camp Invention program...

"...One of my daughter's classes this semester had them taking apart something...she felt like she was back at Camp Invention!... Camp Invention certainly helped foster an engineering spirit."

INSPIRE A PASSION FOR LEARNING IN YOUR CHILD!

Each day, children *entering* grades one through six (currently in grades K through five) will participate in five modules that are led by qualified, local educators and full of engaging, hands-on activities.

The INNOVATE program features:

Power'd™ Build a motorized creature and learn about alternative sources of energy!

Hatched™ Recreate a virtual world and become an entrepreneur!

SMART: Science, Math, and Art™ Discover the fun side of math!

The CREATE program features:

Problem Solving on Planet ZAK® Crash-land on an alien planet and use creativity and teamwork to return home!

Saving Sludge City™ Green up and rebuild this polluted town!

Imagination Point: Ride Physics™ Design cool rides for an amusement park!

BOTH programs include:

I Can Invent III™ Take apart a broken machine and create your own fantasy invention!

Global Games™ Explore sports and cultures of ancient times!

Camp Invention is a CMS recommended program.

CMS is on a 4-day week this summer due to county-wide scheduling.
